# REVIEW PROCESS

Steps	Responsible Person	Remarks
1. Assignment of Topic Chairs	Technical Program Chair	
2. Paper Screening	Topic Chairs	Chair of each topic roughly screened the papers in his/her topic and design which one is approved to be reviewed.
3. Reviewer Invitation	Topic Chairs	Chair of each topic invite at least 3 reviewers from the database of 435 academics in ICT area
4. Collection of Review Results	Topic Chairs	When the notification deadline was approaching, chair of each topic collected results from reviewers. In case of late reply, chair sent reminding notice to reviewers.
5. Result Notification	Technical Program Chair, Topics Chairs	<p>At the deadline of notification</p> <ul style="list-style-type: none"><li>○ If at least 2 reviewers replied in the same direction, Topic Chairs decide the result of each case based on review result.</li><li>○ In case of only 1 reviewer replied, Topic chair of that case bring to discussion with the technical program chair to decide the result.</li><li>○ In case of no reviewer reply, topic chair will invite another set of reviewers and hold the result notification. The review results are quickly decided based on same policy of the two upper cases.</li></ul>
