

Memorandum of Agreement
on
Merging WPMC and GWS

July 4th, 2019

1. National Institute of Information and Communications Technology (NICT), YRP R&D Promotion Committee (YRP) and CTIF Global Capsule (CGC) agreed to merge The International Symposium on Wireless Multimedia Personal Communications (WPMC) and GWS (The Global Wireless Summit).
2. The name of the merged symposium is The International Symposium on Wireless Multimedia Personal Communications (WPMC).
3. The aim of the convergence is to respond to the trend of rapid digital transformation, its acceleration of business activities, processes, competencies, and models.
4. WPMC will be jointly steered by NICT, YRP and CGC with the host organization of each WPMC.
5. NICT and YRP R&D Promotion Committee shall make efforts to provide financial support to each WPMC.
6. CGC shall offer the human resources and strong support for each WPMC.
